# A Giant at Your Door

COPPER has taken its place clongside of STEEL the great barometer of trade. Steel -it a but a few years ago that the steel ndustry was turning out fortunes ry was turning out fortune

s the GIANT among fortune build-rs for all time. The NEW WEALTH (blob this industry has given ND IS GIVING—to the world, runs figures that are simply incor-able. COPPER has built no-unes and MA F. MILLION CES at a rate that scripnes the

# The New Giant's New Opportunity

ARIZONA'S GIANT—THE GIANT GIHT AT YOUR BOOR—presents you today a new opportunity at as a fortune builder should nk with the big copper comman-s just mentioned, ARIZONA RAY

and scriberly an seriously the a mount she ARIZONA RAY PER COMPANY—study the maping the positively unique locator the Company's property, and the record of the big program adjoining the Arizona Ray, soudy CAREFULLY every fact trains the APPROXIMATION concerning the ARIZONA RAY

The property of the ARIZONA RAY COPPER COMPANY consists of twelve claims, making a total of 170 acres. It lies in the heart of he copper district of Ray, immediately adjoining the properties of he great Ray Consolidated and Ray fercules. It is well worth noting hat the Ray Hercules has an extraction of the property of the control of t mai the ray recruies has an extinated ore reserve of nearly 5,000,000 tons on only 13% acres of its certifory—and the stock has just divanced to around \$5.00 per share. You can easily figure the possibilities of ARIZONA RA. with 170 cres, lying right in the same zon with the Ray Consolidated and the Lay Hercules, when the latter stock s melling at \$5.00 with only 13

# Copper Repeats

RIGHT AT THIS VERY MOMENT te Ray Hercules is repeating the story of the big Ray Consolidat L. AND the very aggressive declopment campaign now under way on the ARIZONA RAY prom-ises that this stock will follow dosely the footsteps of the Ray fercules.

ED HAS DONE WE Serieve associate by the Hay Hercules and ARIZONA HAY will do. In 1911 the Ray Consolidated earned \$298,640.00; in 1912, \$2,100,900.00; in 1913, \$2,675,192.00; in 1914, \$2,395,572.00; in 1915, cerimated) \$4,642,264.00; in 1916.

## Remarkable— Isn't It?

But not one bit more remarkable than the history of ARIZONA RAY can be. And some amazing developments on the Arizona hay are to be expected soon. The first drill has reached a depth where it has encountered a change of formation which promises ore at a depth of less than 200 feet. AND most remarkable and interesting of all will be the assurance that the encountering of ore gives the ARIZONA RAY that it is on its way to duplicate the record of the two big properties which it adjoins.
